

SMS Text Reminder Service for Events and Appointments.

Never Forget your Appointment Again

Don't risk forgetting your appointment. Even if you write it down, there's still a chance you will forget all about it and make other arrangements.

As soon as you book it let **Neva4Get** take care of remembering by sending us a brief text. Our automated systems will log your details and send out text reminders just before the appointment date. Its quick, simple and reliable.

It's easy: If you book a doctors appointment for 10:30 on the 5th Oct. 2008

Simply text the following to 82085

Remindme Doctors 10:30am 051008

Text to 82085

We will send you a text reminder automatically 5 days before, and on the morning of your appointment so you can't forget it.

You can use the service for any event.

Doctors Dentists Hospital Hair Appointment Chiropractor
Opticians Car M.O.T Birthdays Anniversaries Work meetings

To setup a reminder for anything simply text the keyword 'Remindme' followed by brief details of the event, making sure the date of the event is at the very end of your text in ddmmyy format.

E.g. Remindme M.O.T due on 110608
or Remindme Sales meeting in London Office 11am 230808

It doesn't matter how far in advance it is, our systems will log it and send out the reminder texts when due.

First Book it then Neva4Get it!

Neva4Get is owned and operated by UbiquitE Ltd

Texts to 82085 are charged at £1 plus your normal network rate for texting
Reminder texts are sent at no cost to you.
Full details of the service along with terms and Conditions are available online at
